

FISHERS ISLAND TELEPHONE DIRECTORY

2017-2018

In the summer of 1987, a group of civic-minded Fishers Island residents came together to address the critical need of affordable, year-round housing on Fishers Island.

Led by Frank Burr and Brad Burnham, the group worked with Mark Andrews and the newly created Sanger Fund to purchase a 24-acre parcel of land on North Hill. Mrs. Annette Walsh graciously agreed to sell the land for significantly less than market value. Shortly after, the Walsh Park Benevolent Corporation was created to oversee and manage the project.

In August of 1990, the first of 12 homes were constructed and the first families moved into their homes on Peter's Way (named in honor of Peter Sanger.) August 25, 1990 was designated "Walsh Park Day" by the Town of Southold.

Walsh Park has grown significantly since that time. Walsh Park now includes 28 single-family homes and apartments. Nearly 30% of the year-round population lives in Walsh Park housing and residents contribute their time and skills to several Fishers Island organizations and causes.

Walsh Park would not be the success it is today without the support of numerous families, individuals and organizations over the past 30 years. THANK YOU!

WALSH
30
PARK ¹⁹⁸⁷/₂₀₁₇

The logo features the word "WALSH" in green, a large blue "30" with a circular emblem containing a yellow house and a green map of Fishers Island, and the word "PARK" in green with the years "1987" and "2017" stacked below it.

Walsh Park Benevolent Corporation
Celebrating 30 years
