SIX OF CLUBS returns to Fishers Island with another cabaret performance of music from the American Songbook, this time with music and lyrics of the inimitable Cole Porter. The evening will feature songs from such shows as *Kiss Me Kate*, *Nymph Errant*, *Anything Goes*, *High Society*, and many lesser known gems. Proceeds will benefit **THE ISLAND HEALTH PROJECT**.

SIX OF CLUBS is a group of six friends (John Hargraves, Rich Miller, Beatrice Broadwater, Angela Cason, Win Rutherford, Nick Firth), who are music aficionados and enjoy performing songs from The Great American Songbook--the finest American songs of the 1920s to 1960s, from the Broadway musical theatre, and Hollywood musicals. Previous Six of Clubs' shows have covered the songs of Jerome Kern, Harold Arlen, Alan Jay Lerner, Burton Lane and Frederick Loewe, Rodgers and Hart and Rodgers and Hammerstein, George Gershwin and Irving Berlin. The group generally performs at private clubs on the Eastern Seaboard.
