View the Island Initiatives working document here:

<http://fishersisland.net/island-initiatives-document/>

This is a living document that is being updated weekly by our ICB representatives. You can scroll through the document and see various projects that are in process on Fishers Island. This is intended to be a way to help organizations work together and to keep projects moving forward. If you have any questions about this or any other island initiative, please contact our Southold Town Neighborhood Aide, Meredith Doyen at finy.southold@gmail.com
