

FISHERS ISLAND CLUB

EST. 1926

We are Hiring

Maintenance Technician / Facilities Maintenance Employee

ABOUT THE ROLE

Fishers Island Club is seeking a skilled and dependable **Maintenance Technician / Facilities Maintenance Employee** to support the upkeep of our private **golf, tennis, and beach club facilities**, including clubhouse areas, dining and service spaces, pro shops, beach facilities, support buildings, and several employee houses.

KEY SKILLS & EXPERIENCE

The ideal candidate will have hands-on experience in **HVAC, refrigeration, carpentry, plumbing, basic electrical work, appliance repair, general building maintenance, and preventive maintenance.**

WHAT WE'RE LOOKING FOR

This role requires a service-minded professional who can **troubleshoot problems, complete quality repairs, respond to maintenance requests, and help maintain safe, clean, and functional facilities for members, guests, staff, and employee housing residents.** Experience in a private club, hotel, resort, estate, residential property, marina, restaurant, or commercial facility is preferred. Flexible availability, including weekends, holidays, and seasonal demands, may be required.

HOW TO APPLY

Qualified candidates should submit a resume or work history summary outlining relevant maintenance, trade, residential, hospitality, or facilities experience by email only to [**cneill@ficlub.net**](mailto:cneill@ficlub.net).
